

“a” SESİ İZLİ ÇALIŞMASI

A horizontal bar divided into 10 equal segments, each containing the letter 'a'.

Diagram illustrating a 1D lattice with 9 sites. The sites are arranged in a horizontal row. The first and last sites are occupied by particles (black dots). The sites in between are empty. The sites are labeled with 'a' below them.

A horizontal bar is divided into 10 equal segments by vertical dashed lines. Each segment contains the letter 'a' in a black serif font. The bar has a light pink background and a thin black border.

A horizontal bar divided into 10 equal segments, each containing a lowercase letter 'a'.

A horizontal bar is divided into 10 equal segments by vertical dashed lines. Each segment contains the letter 'a' in a black serif font. The bar has a light pink background and a thin black border.

A diagram showing a horizontal bar divided into 10 equal segments, each containing a lowercase letter 'a'.

A horizontal bar representing a 1D lattice with 9 sites. The first 5 sites are occupied by particles (black dots), and the last 4 sites are empty (white).

A horizontal bar divided into 10 equal segments, each containing a lowercase letter 'a'.

“a” SESİ İZLİ ÇALIŞMASI

A handwriting practice line consisting of a solid top line, a dashed middle line, and a solid bottom line. The letter 'a' is written ten times in a cursive style, starting from the middle dashed line, touching the top solid line, and ending at the bottom solid line.

A horizontal bar divided into 10 equal segments, each containing the letter 'a'.

A horizontal bar divided into 10 equal segments, each containing a lowercase letter 'a'.

A handwriting practice line consisting of a solid top line, a dashed middle line, and a solid bottom line. Ten lowercase 'a' characters are placed along the line, each spanning from the bottom line to the middle dashed line, for tracing practice.
